OZ/AZ

ACOUSTIC DUO

TWO GUITARS. BIG AUSSIE ROCK SPIRIT.

OZ/AZ bring the unmistakable spirit of Australian pub rock to an intimate acoustic duo format. With two guitars, strong vocals and a genuine connection with the crowd, they deliver familiar classics, memorable singalongs and the atmosphere that makes a great live-music session.

Drawing on the extensive live experience behind OZ/AZ, the duo brings energy and professionalism without losing the warmth and versatility of an acoustic performance. Equally suited to pubs, beer gardens, bars, private celebrations and relaxed afternoon sessions, OZ/AZ can build the mood from laid-back listening to a room singing along.

THE PERFORMANCE

- Two acoustic guitars and live vocals
- Aussie pub-rock favourites and audience singalongs
- Adaptable energy for relaxed sessions or lively crowds
- Experienced, professional and venue-ready
